

The background of the poster is a collage of marine-themed illustrations. In the top left, there is a large red coral-like shape. To its right are several green starfish. Further right, a seahorse is depicted in a blue and white line-art style. In the top right corner, there is a cluster of small, detailed drawings of various sea creatures, including what appear to be small fish and possibly a squid or octopus. The bottom half of the image features a dark blue horizontal band containing the event title. Below this band, the background continues with more illustrations: a large red coral shape on the left, a seahorse in the middle, and another seahorse on the right. The entire design is set against a white background with a blue grid pattern.
